The Daily Courant.

Friday, May 3. 1706.

From the Amſterdam Gazette, dated May 4.

Warſaw, April 20.

THey write from Wilna, that the Swedes finding they could not raiſe there by Contribution more than 40000 Dollars, part in Money part in Goods, took 12 Burghers as Hoſtages for a further ſum demanded by them, as alſo 2 Prieſts of each Monaſtery, and carried them to the Camp at Zoludki: They likewiſe took 2 Nuns out of a Convent, being the Daughters of the Captain of Samogitia, of the Family of Sapieha. We have Advice from Cracow, that King Auguſtus has ſet a great Number of Peaſants to work upon the Fortifications of that City. The Muſcovites that were in Garriſon here, have to Day begun their March for Brzeze in Lithuania.

From the Harlem Courant, dated May 6.

Cracow, April 24. We have receiv'd a certain Account, that the *Muſcovite* Field-Marſhal Ogilvy having decamp'd with his Army from Grodno, and taking with him 170 Pieces of Cannon, is retir'd to Brzeze; the Swedes not being able to hinder them, or make the leaſt Attempt upon them in their March: The ſaid Army of Muſcovites is at preſent ſo well poſted, that by reaſon of Woods and Moraſſes, 'tis impoſſible for the Swedes to attack them. Two Days ago a Page ſent by King Auguſtus to the Czar return'd hither, and brought an Account that General *Mazeppa* with his Coſſacks had joyn'd his Czariſh Majeſty.

From the Harlem Courant, dated May 8.

Dantzick, May 3. 'Tis adviſ'd from Cracow, that King Auguſtus has given direction for making a Ditch round the Caſtle of that Place, and turning the River Viſtula into it. His ſaid *Majeſty* has made General Brant General of the Saxon Horſe. The Army of the Muſcovites at Brzeze encreaſes daily, and they make no Doubt to be able to defend themſelves there againſt the Swedes.

From on board the Sommerſet, *Commadore* Price *Commander, in the Bay of* Gibraltar, April 6. O. S.

'We ſail'd from Lisbon the 20th of March; our 'Paſſage was tedious, it being the 3d Inſtant before 'we arriv'd here: We found Sir John Leake with 'his Squadron in this Bay. The 4th a Council of 'War was held on board the Ranelaugh, and it was 'reſolv'd that all the Land Forces on board the 'Tranſports ſhould be put on board 10 *Men* of War, 'as alſo ſome Stores of Ammunition, and part of 'the Cloathing; and that thoſe 10 Men of War 'ſhould ſail directly for Denia in Valencia. The 'Squadron appointed for this Service were the 'Hampton-Court Commadore, Ipſwich, Northumberland, Reſolution, Pembroke, Panther, and 4 'Dutch Men of War; together with the Roebuck 'and Garland Frigates, to ſail a-head of the ſaid 'Squadron. Lieutenant General Wyndham, Major 'General Stanhope, and Collonel Richards, were to 'go with this Squadron: Which I am told was to 'return back agen hitherward aſſoon as they had 'landed the Forces &c, at Denia, Sir John Leake 'with the remaining Men of War having determin'd 'to ſtop here, till ſuch a Reinforcement ſhould arrive 'as might enable him to go and engage the Enemy's 'Fleet before Barcelona. The 5th a Tartan arriv'd 'with an Expreſs from Valencia, giving an Account 'that Barcelona is beſieg'd by the Duke of Anjou 'with about 16000 Men by Land, and by the 'Count of Toulouſe with 27 Ships of War by Sea; 'that there is a good Garriſon of regular Troops in 'the Place; and that it defends it ſelf nobly, the 'Inhabitants being determin'd to ſacrifice their Lives 'for the Preſervation of their rightful King Charles 'III, who has reſolv'd to expire in the Breach if 'things come to the laſt Extremity. Whereupon a 'Council of War was held this Day, in which it 'was reſolv'd unanimouſly that the whole Fleet '(conſiſting of 30 Ships of War of the Line, where-'of 15 Dutch under Baron Waſſenaar, and 2 Fire-'ſhips,) ſhould ſail with the firſt fair Wind directly 'for Barcelona, and Fight the Enemy: The Tran-'ſports are to ſtay here, ſome few excepted that are 'to attend the Fleet with Neceſſaries. The Town 'of Gibraltar was miſerably ſhatter'd in the late 'Siege; about 200 Houſes that were in that part 'of it which was expos'd to the Enemy's Batteries, 'appear now like a heap of Rubbiſh: But the Fortifications are repairing, and new Works erecting 'under the Direction of Ingenier Bennet. There is 'in the Place 2 Regiments of Engliſh and 2 of 'Dutch; Collonel Elliot is the preſent Governour; 'they have good Store of ſalt Proviſions, Wine, '&c. The Town is blockaded by about 500 Spa-'niſh Horſe; their Barracks are about 2 Miles from 'it, but their Out-guards and the Out-guards of 'the Garriſon are poſted within Hearing of each 'other: They have friendly *Meetings* ſometimes, 'and truck their Sheep and other freſh Proviſions 'for ſuch things as the Garriſon can ſpare them. 'The 3d Inſtant Sir John Leake, Lieutenant Gene-'ral Wyndham, *Major* General Stanhop, and other 'Officers went aſhore; the Governour and ſeveral 'Officers of the Garriſon met them; and all walk'd 'together about a Quarter of a Mile out of the 'Town, where is the Out-guard. At the ſame 'Time the Commander in chief accompanied by 'divers Officers of the Spaniſh Blockade, came thi-'ther to meet them. The Spaniards diſmounted 'when they came within 100 Yards of our Admiral 'and his Company, and walk'd up to them: *Mutual* 'Compliments were paſs'd with great Formality; 'and the Ceremony of Saluting being over, Cloaks 'were ſpread on the Ground, and the chief of the 'Company were treated by the Governour. After 'they had drank very plentifully for about 2 Hours, 'they broke up, the Dons return'd to their Camp,

'and

and the English to the Governour's House. I can't learn how this Interview came about, nor do I hear of any other Result of it, than that the Spaniards intend to compliment our Admiral with a Present of fresh Provisions.

Whereas Coffee was formerly sold at 2 s. 6 d. per Pound, and is now already amounted to between 6 and 7 s. per Pound, the Majority of the Retailers have thought it reasonable to request their Customers to pay Three-half-pence per Dish, and do assure that no Person that sells Coffee for One-penny per Dish can make his Liquor of true Coffee only.
